熱愛臺灣，回饋臺灣

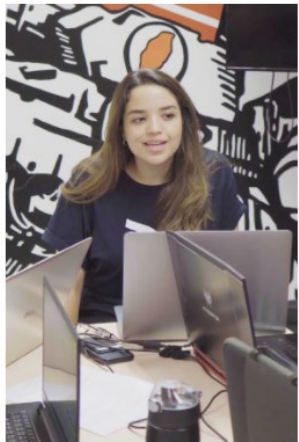

已是Contact TAIWAN人才會員

我叫蜜拉，我來自瓜地馬拉，今年25歲，目前在師大就讀，已經加入Contact TAIWAN成為人才會員，希望畢業後可以順利在臺找到工作。我已經在臺灣6年了，臺灣政府給了我兩個全額獎學金，這也是我想回饋臺灣的原因，臺灣是一個充滿活力與機會的地方，它也是亞洲的心臟。

TUTEEMI 團隊

目前我在師大就讀，已經加入Contact TAIWAN成為人才會員，希望畢業後可以順利在臺找到工作。在課餘時間，我們和一群資深家教和教職顧問組成TUTEEMI 團隊。我們發現外師家教與臺灣學生及家長間，在教學方法及課程設計上，時常會有語言或文化上的隔閡，無法有效溝通，以致大幅降低學習成效。

?TUTEEMI 在台北地區，扮演中間的橋樑，讓孩子專心學習語言TUTEEMI的教學方向是以介紹國際觀，來幫助我們的學生提高他們的口語技能，而不再像是傳統的家教只專注在寫單字以及讀文法。

熱愛臺灣，樂在工作

備妥評點制所需文件

我是張承華，畢業於逢甲大學，來到臺灣4年，也在臺灣工作一年多，目前在製公司擔任執行製作，是我很喜歡的工作。雖然工作內容包山包海，有許多細節都要照顧到，但是他認為可以讓自已學到許多東西，因此樂在其中。

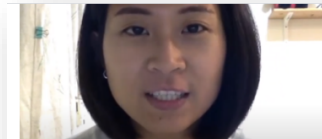

建議同學們在畢業之前就可以利用暑假假期的時間，先將日後畢業時，找工作會用到的評點制各項所需文件備妥，才能免除屆時一連找工作相當忙碌，還要一連準備資料的困境，尤其有些資料需要驗證，無法急就章，需要預留時間準備。

Contact TAIWAN攬才媒合平臺

此外也提醒即將畢業的同學，一旦畢業了，就要辦理延期居留證，最長可以展延到一年；找工作時也要注意雇主是否會僱用外籍人才的標準，因為臺灣相關單位對雇主方是有資本額與營業額的限制，此部分要多加留意，以免白做工。他認為臺灣現在求職有很多平臺，相當便利，留在臺灣更是給自己一個不同的機會，也祝福各位同學尋找到適合自己的工作。

Not to be Afraid of Interviews

The last newsletter mentioned that under the Investment Business Division of the Ministry of Economic Affairs guidance, Contact TAIWAN held the first 2020 International Students Job Search and Alumni Sharing Workshop on May 22. Besides the information provided by the Ministry of Labor and the Immigration Department, Cheng Kuang-Yu, the CEO of Run Universe, also shared his viewpoints about <How to Sell Yourself in An Interviews>. Two excellent alumni from National Chung Hsing University and Tamkang University joined to share their job search experience and the workplace culture in Taiwan.

Nindy, an alumnus from the Department of Horticulture of National Chung Hsing University, came to Taiwan from Indonesia when she was 12 years old. She worked in Taiwan as a marketing specialist for maternal and infant products, a business manager for machinery sales overseas, and an agent for European consumer goods brands at different times. Her job-search goal is to find a job that sends her back to Indonesia. Based on her own experience of studying and finding a job, Nindy encourages the new graduates not to be afraid of interviews or give up interview opportunities.

Good at Communications

Moreover, do not continue to study at schools simply because of the fear of working in society. Although many job vacancies require work experience, you may find that the company is willing to train new people if you still go to the interview. Therefore, do not give up the interview opportunities.

Some students asked what if the jobs they wanted to find did not match their majors. Nindy took her own story as an example and said that, during her interview, she expressed herself confidently. Although her major was not related to the job she applied, she was willing to accept the challenge. She also mentioned that she was good at communications, and therefore she was appreciated by her boss. She got the job and continued to accumulate her ability in the workplace. She also encouraged international graduates to stay in Taiwan for job searches and not be afraid of the evaluation system. Having confidence and making good use of all resources, everyone can find suitable opportunities and have a bright future in Taiwan.

Multiply Employment Competitiveness

The Value Is What You Get

This issue of Contact TAIWAN newsletter takes everyone to take a closer look at the speech given by the CEO of Shang-Yi International, Lin Jia-Hong (Win), with international students in June. The topic was "How to Double Your Employment Competitiveness." In the beginning, Win quoted Warren Buffett's famous saying, "The risk is that you don't know what you are doing, and the price is what you pay, and the value is what you get." He wanted to inspire students who had been affected by the global epidemic.

In fact, after graduation, besides looking for a job as an employee of others, if you set your ambitions, you can also bravely pursue your dreams and be your boss by starting a business. The entrepreneur visa is one of the strategies for international students to realize their dreams. Regardless of entrepreneurship or employment, in the process, you must have three abilities to succeed: insight, influence, and learning ability. More importantly, the learning ability is the element to be successful in entrepreneurship. Finally, Win encouraged the students to break the framework and not set limits for themselves.

Improve Chinese Skills

The Contact TAIWAN team was also delighted to invite Phan Tan Phat, a Chinese Culture University alumnus from Vietnam, to share his experiences. He mentioned that the most commonly used languages in the workplace for communications in Taiwan are Chinese and English. Therefore he strongly recommended that international students should improve their Chinese skills. Pan also mentioned that Taiwan is very suitable for international students because Taiwan's living expenses are relatively low.

Pan also mentioned that Taiwan's public health and health insurance systems are perfect, and he feels very at ease living and working in Taiwan. He recommended that younger students confirm their employment advantages such as research results during studying time, achievements in related fields, or certificates (all can be counted as points-based items). If an international student has clear goals, it is relatively easy to find a job in Taiwan. When applying for a job, it is highly recommended that international students can make their resumes and utilize LinkedIn smartly, which will significantly enhance their job-search opportunities.
